has offset **140,256 kg**
of CO₂ greenhouse gases on Feb 24, 2021.

What does your climate protection contribution accomplish?

With your climate protection contribution with the amount of 3,226.00 Euro, you are supporting the following projects, among others:

Efficient stove systems for families in Nigeria

Your climate protection contribution pays for 54 stove systems. These save about 80 % of energy.

Electricity generation from mustard seed crop residues in India

Your contribution provides 175 households with one year of renewable electricity.

Construction of biogas units for households in Kenya

Your climate protection contribution finances the construction of 11 biogasdomes.

atmosfair operates its projects according to the Clean Development Mechanism (CDM) outlined in the Kyoto Protocol as well as the "Gold Standard" established by international environmental organisations. Independent organisations approved by the United Nations (e.g., TÜV) audit the projects' actual CO₂ reductions.
